

TOP REASONS TO HIRE A WASHINGTON UNIVERSITY INTERN THIS SUMMER

Our students are...

INTELLIGENT

- 90% of undergraduates are in the top 10% of their high school class
- SAT and ACT scores place them, on average, in the 97th percentile among all students who take these tests

DIVERSE

- WashU students come from all 50 states and six continents
- Over 45% of students are multicultural and international students
- 65% of students come from more than 500 miles away

INTELLECTUALLY CURIOUS

- 80% of students pursue multiple majors and/or minors
- 40% of students study abroad in over 50 countries

ENGAGED

- 67% of students participate in community service
- Undergraduate students participate in 350 student groups
